Adjusta™ Beds & Mattresses

Ever struggled getting in and out of bed? Not able to find a comfortable position? Or you simply would like to sit up in bed to watch television? An Adjusta-Bed™ could be the answer.

Adjusta-Beds™ allow you to raise and lower the height of both head & foot of the bed to any suitable position, by the use of controls on the easy to use handset.

The Adjusta Bases™

The 5-Fold motorized adjustable frame offers unique, customizable support to different areas of the body which can help relieve minor aches and pains, promote better circulation and an improved posture.

Sliders for comfort adjustment allow you to set and adjust the amount of support to meet your unique preferences in the lumbar region. All bases also offer a wide range of various different fabric & colour options which can be coordinated with a matching upholstered headboard.

Options for Drawers or no Drawers

Designed and produced in-house to provide assured quality.

Accredited by National Bodies, including NBF, The Sleep Council and The Guild of Master Craftsmen FIRA approved for fire safety.

Promise of hassle free performance with a 5 year warranty.

Natural materials such as cotton have strong wicking properties dispersing excess moisture thereby keeping you cool and dry. Natural fillings also anti-bacterial and, as it's inherently fire retardant removing the need to use chemicals for healthier sleeping.
